

Infusion Centre

DAY INFUSION THERAPIES OFFERED AT ST VINCENT'S LISMORE

St Vincent's Day Oncology and Haematology Unit has expanded its services to incorporate additional infusion therapies. Patients will receive treatment in a caring environment, with highly trained staff committed to making the experience as convenient and stress-free as possible.

TREATMENTS INCLUDE:

- Antibiotic Infusion (Infuser pump setup/changes)
- Blood and blood product administration
- Central Line dressing changes and maintenance
- Chemotherapy
- Immunoglobulin Infusions
- Immunotherapy
- Iron Therapy
- IV Fluid and Electrolyte Replacement
- Monoclonal Antibodies
- Urology – BCG, DMSO
- Venesections

WHAT WE OFFER:

A friendly, relaxed, supportive environment. Our experienced team of multidisciplinary staff and dedicated volunteers provide quality care and assist patients throughout their treatment.

GP REFERRAL PAPERWORK REQUIRED:

- St Vincent's Hospital Infusion order form
- Pharmacy prescription

Your patient will be contacted by our unit to arrange an admission date, once the completed paperwork is received. Completed paperwork can be faxed to the St Vincent's Lismore Oncology and Haematology Unit, with the originals delivered to patient admissions or sent via post.
