

ST VINCENT'S HOSPITAL, LISMORE

Renal Dialysis Unit

The St Vincent's Renal Dialysis Unit is located within the St Vincent's Private Hospital in East Lismore New South Wales. This clinic is wonderfully positioned particularly for patients requiring holiday dialysis. Our unit is in close proximity to both Byron Bay and Ballina.

CLINIC FEATURES:

- 10 Haemodialysis Stations
- Education Resources
- Free WiFi
- TV & Foxtel
- Refreshments
- Education Resources
- Patient Support Volunteers
- Free Car Parking on-site & Shuttle Service

WHAT WE OFFER:

An experienced multidisciplinary team of staff, which includes a dietitian, 10 state-of-the-art haemodialysis stations with the options, of Haemodiafiltration (HDF) and High Flux Haemodialysis and a Nephrologist onsite. For patient convenience and comfort, free wireless internet, cable television and light refreshments are all provided and our dedicated volunteers provide companionship and support to our patients.

Free car parking is available onsite for patrons of our Renal Dialysis Unit, with our Friends shuttle service available daily Monday to Friday, from 9.00am to 3.00pm.

We also provide assistance with coordination of tourism dialysis for interstate and overseas visitors.

Contact us to arrange your referral for holiday dialysis.

Our staff will then liaise with your renal dialysis clinic, to source the information we require and arrange your referral to our unit.
